

# RALLY!

TO PROTECT OUR FUTURE

**Monday, Feb. 15, Noon**  
**Capitol Steps, Olympia**

Come urge our elected leaders to stand up to special interest lobbyists and Eymann extremists and protect our future during this economic crisis! Help stop devastating cuts to education, health care, environmental programs, and services for the most vulnerable through closing tax loopholes and creating other sources of revenue. The future of our state and our economic prosperity depends on it!
